

NORTH EAST LINCOLNSHIRE COUNCIL NOTICE OF REVIEW OF POLLING DISTRICTS AND POLLING PLACES

Notice is hereby given that, in accordance with Section 18C of the Representation of the People Act 1983, North East Lincolnshire Council (the Council) is carrying out a review of its polling districts and polling places.

The review relates to proposed changes to some polling districts, and any affected polling places and/or polling stations, in preparation for the new Immingham Town Council boundaries and a slight amendment to the Waltham and Barnoldby Le Beck Parish Council boundaries. These changes follow the Parish Council Community Governance Review undertaken in 2024. The new boundaries are due to be implemented at the May 2027 elections and reflected in the revised register to be published on 1st December 2026.

Relevant information, including maps of the current arrangements and proposed changes, is available on the Council's website and may also be inspected at the address below.

The Returning Officer will comment on the proposals. Those representations will be published on the Council's website and will also be available for inspection at the address below.

Electors within the Council area may make representations. The Council invites comments from electors, local political parties, elected members, and town and parish councillors on the convenience of voting at the polling stations currently used for elections. Suggestions for alternative polling station locations are also welcomed.

The Council would particularly welcome the views of disabled residents and of any person or body with expertise in access for people with any type of disability, including views on the proposals, the Returning Officer's representations, or any other related matters.
