Dear Cllr Steve,

We thank you for you raising your concerns by representation on the above premises.

We understand your concerns are:

- ASB - Summer Times Wheelie bins were being burnt out every day, glass bottles were being smashed which caused dog walkers problems, trees and plans were damaged.
- Many premises selling alcohol
- Hinder the progress of young people

Firstly This business is new - never been operating - not a contributor to any of those existing issues. To prevent any ASB in the future - the store has CCTV system in place to evidence to police/ or investigate any crimes,

To protect children from harm - the store has Challenge 25 scheme where anyone under 25 - must prove their age to buy any age restricted products, the authorities will inspect the refusal recording system, staff training program in place as stated on the application.

We have only one representation from you - no other objection.

We would be grateful if you could re consider your objection and applicant will meet you to work together in the future.

If you are able to withdraw your representation. We will then arrange a meeting together to ensure your concerns addressed.

Regards
Suresh Kanapathi
