Dear Holly,

I am writing to you to add my support for North East Lincolnshire Council's submission to the Department for Transport for additional highway maintenance funding to undertake maintenance works to the A180 (Pyewipe Roundabout to Lockhill Roundabout) and the surrounding industrial estate roads.

I am convinced that this proposal will provide high quality road infrastructure on surrounding estate roads, supporting business and investment in the local area, and underpin the delivery of North East Lincolnshire Council's Economic Strategy and Local Plan.

Yours sincerely

Melanie Onn MP
Member of Parliament for Great Grimsby
