SIDNEY SUSSEX COMMUNITY GROUP

THE PAVILION

COMMUNITY PROJECT OF THE YEAR 2015
YOUR COMMUNITY VENUE

Sidney Sussex Community Group, a not for profit organization, have taken over control of The Pavilion from North East Lincolnshire Council with the sole aim of returning it to a community venue.

The building was built in 1934 at a cost of £1866.00 and stands in Sussex Recreation Ground, land that was gifted to Cleethorpes by Sidney Sussex College, Cambridge

The building has been fully restored inside and out and is now equipped for a multitude of uses (see over).

Because Sidney Sussex Community Group are a charity and it's a community venue we aim to keep the hire charges as low as possible (see over for example).

The Pavilion is a wonderful old building and a land mark in the area and deserves to be put back into good use.
